October 2023

Dear Camberwell High School Parents/Guardians

Parent Payments for 2024

Camberwell High School is proud of the rich and enhanced educational experiences we provide, which extend well beyond the Victorian standard curriculum.

Curriculum and Other Contributions from our parent community are vital components of the funding needed to support the delivery of these outcomes. All State schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary.

The ongoing support of our families ensures that we can offer the best possible education and wellbeing support for our students. We want to thank our families for all the support they give us and the additional revenue which is raised through our parent payments, facilities hire, Uniform Shop sales and International Student Program.

Within our school this support has allowed us to maintain:

- a wider selection of elective subjects and continued support to both VCE and VCE – Vocational Major
- extension and development of the LEEP program for for 2023 and 2024 into Years 7-9
- further enhancements to the Year 9 & 10 Launch programs
- a broad range of co-curricular activities across all year levels
- a uniform shop on site
- maintenance to our FIFA approved soccer field and the installation of new in ground soccer goals
- a large team of IT technicians on site
- a Mental Health Practitioner and two Wellbeing Counsellors
- a range of student-led events
- major repairs to the sports hall roof
- total replacement of the sports hall floor
- major repairs to the roof and the installation of a new heating system in the Arts and Technology building
- commencement of the extensive A Building windows and toilets renovation

School Council has made a considerable effort to ensure that our payments are fair and provide options to support families. Please contact Terumi Sathananthan in the Administration Office on 9836 0555 if you have any questions regarding the process or payments. Should you need financial assistance, please contact Anna Conti, Business Manager for a confidential discussion.

Once again, we thank you for your understanding and appreciation of the benefits that the Parent Payments bring to our students and for your support to Camberwell High School and its programs.

Yours sincerely

MAUREEN SALTER

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
